Hon. John C. Lynch, San Francisco, is Strong Advocate of New Mineral Remedy

Former Collector of Internal Revenue and Former Bank Commissioner John C. Lynch of San Francisco, Cal., has become a strong advocate of Akos, the remarkable California medicinal remedy. For 10 years Mr. Lynch suffered with gout and stomach trouble. Failing to get relief from many other remedies he tried Akos with such good results that his health has been completely restored. Following is his letter:

"For a period of over 10 years I suffered with gout, having attacks at times that would confine me to the house one and two weeks several times a year. During this time I tried many remedies, including total abstinence and strict diet, without getting anything more than temporary relief. While I was suffering with one of these attacks I was persuaded to try Akos mineral on my foot. Getting some of the compound and applying it I found it experienced almost immediate relief. I followed this treatment with drinking the mineral water made from the internal powder. This mineral water in a short time made rapid progress in eliminating a nervous stomach disorder that also bothered me for years. In a few weeks' time this combined treatment had entirely rid me of gout and my stomach was in first-class shape. During the taking of the Akos treatment I did not adhere to any diet as I had in the

past. I have induced many of my friends to use Akos for various ailments and in no case has it failed to give positive results. Akos has proven effective in treating cases of rheumatism, kidney and bladder troubles, piles, eczema, skin diseases and other ailments. Akos is now being introduced in Honolulu by the Hollister Drug Company, Ltd., Fort St. By calling, writing or phoning further information may be had regarding this advertisement.
